

About LSA Family Health Service

LSA Family Health Service, founded by the Little Sisters of the Assumption, strengthens and empowers vulnerable families and children by meeting their basic needs for food, healthcare, education and a safe home, in the belief that affirming families in their own dignity improves the entire community.

Our programs offer a special focus on families and young children, with a proven track record of improving family health and well-being. Through home visits, on-site services, support groups, classes and more, we help the most vulnerable move past barriers to well-being and toward a more promising future.

OPPORTUNITIES

Make an Impact

Corporate volunteers at LSA experience meaningful, hands-on community service opportunities that promote leadership and team building. They make a huge impact in our community.

All volunteer activities are fully aligned with our programs to ensure that they meet the needs of families.

Our staff will work with you from the planning stages through the day of your program to ensure that the volunteer event meets your company goals. We are always open to innovative collaborations, including off-site activities. Our staff handles all the logistics of the event, including snacks/water, photography and social media.

A financial commitment is requested for an on-site team building experience. The suggested contribution range is \$1,000 - \$5,000, depending on company size.

More Ways to Engage

FINANCIAL SUPPORT

LSA Family Health Service relies on grants and donations to provide vital food, health and family support services that reach over 7,000 individuals every year. We have been awarded 4 stars by the watchdog group Charity Navigator—its highest rating. When you donate to LSA, you can be confident that your money will make a difference for families in our programs.

GOODS & SERVICES

Corporations can support our work through the donation of goods, materials, services and expertise. We also engage corporate groups for holiday giving drives, school supply drives, food and clothing drives, and can even create an online virtual drive just for your group.

SPONSORSHIP

Throughout the year LSA hosts fundraisers ranging in size from small events hosted by our Junior Board to our annual Gala. Sponsoring an event is a fantastic opportunity to increase visibility for your company and highlight your partnership with LSA.

In addition, your company can support LSA through races, like the NYC Marathon, or other athletic events.
